EDUCATION

University of Pennsylvania — **Philadelphia, PA**
Bachelor of Arts in Philosophy, Politics, and Economics and Cognitive Science — *Expected May 2027*

- GPA: 3.88/4.00; ACT: 34
- Relevant Coursework: Behavioral Economics; Microeconomics, Macroeconomics, Decision Processes, Applied Data Science, Data Science for Complex Structures, Introduction to Computer Programming

WORK EXPERIENCE

Betterment Capital — **New York, NY**
Summer Analyst — *July 2026 – August 2026*

- Built a 20-quarter operating model for a publicly traded home health company, using SEC filings to decompose revenue, direct-care costs, overhead, and unit-level margins and identify key drivers of historical performance.
- Built and validated an LLM-enabled workflow to extract structured operating data from earnings-call transcripts, manually auditing outputs before scaling the analysis across 20 quarters of company history.
- Evaluated expansion into 11 states for the fund's personal care services platform, analyzing reimbursement, caregiver costs, market structure, regulatory requirements, and entry barriers, and presented recommendations to the Managing Partner.

Avdah Hiring — **Philadelphia, PA**
Co-Founder — *September 2025 – Present*

- Identified persistent employer-candidate mismatch and search friction in hiring and co-founded Avdah to address it, building an AI platform that automates first-round interviews and securing the company's first employer client.
- Built the platform from the ground up, testing and refining the interview product, incorporating feedback from users and prospective employers, and developing the company's pricing and marketing strategy.
- Built the company's initial sales pipeline through cold outreach to hundreds of prospective employers, networking events, product demos, and direct sales conversations.

Camp Stone — **Sugar Grove, PA**
Division Head & KLI Fellow — *June 2021 – May 2026*

- Managed 16 counselors and 80+ campers as a residential division head, serving as the link between senior leadership and frontline staff while overseeing daily programming, staffing, scheduling, and logistics.
- Balanced competing priorities across leadership, counselors, and campers, communicating changes clearly, resolving interpersonal conflicts, and adapting plans in real time during operational and organizational crises.

LEADERSHIP & VOLUNTEERING

Yavneh on Campus — **Philadelphia, PA**
Co-President, National Board — *January 2025 – Present*

- Co-led a national organization serving 500+ fellows across 40 campuses, setting strategic priorities and coordinating national programming, recruitment, communications, and leadership development.
- Managed a $100K+ national budget, helped determine resource allocation across programs, and met with C-level executives to discuss strategy, growth, and the future of the organization.
- Ran national board meetings, aligned campus leaders around organizational priorities, and oversaw recruitment through outreach, interviews, and coordination across campuses and international programs.

Daniella Moffson Foundation Cross-Country Fundraiser — **United States**
Campaign Lead — *May 2026 – July 2026*

- Cycled 5,000+ miles self-supported across the United States in 53 days with no support vehicle, independently managing route planning, lodging, budgeting, equipment, and day-to-day logistics.
- Led the fundraising campaign, raising $16,000+ through donor outreach and a cross-platform marketing strategy that generated 75K+ views and interactions.

University City Eruv Corporation — **Philadelphia, PA**
President & Treasurer — *April 2024 – January 2026*

- Led operations for a registered 501(c)(3) maintaining a ~7-mile eruv serving the Penn, Drexel, and CHOP communities, coordinating weekly inspections and ensuring the organization fulfilled its operational responsibilities.
- Recruited and organized dozens of student volunteers, coordinating across class and personal schedules each week to maintain reliable staffing for inspections and other organizational needs.
- Managed budgeting and fundraising, reduced operating expenses by 10%+, and introduced digital record-keeping and reporting systems to strengthen oversight and continuity.
